Dear Sirs,

Re WD/2023/3036/FA: Kidbrook Park:
New dwelling of exceptional quality (para 79 house). Variation of Condition 13 of WD/2018/2298/F

Thank you for consulting The Gardens Trust (GT) in its role as Statutory Consultee with regard to proposed development affecting a site listed by Historic England (HE) on their Register of Parks and Gardens as per the above application. The Sussex Gardens Trust (SGT) is a member organisation of the GT and works in partnership with it in respect of the protection and conservation of registered sites, and is authorised by the GT to respond on GT's behalf in respect of such consultations.

In our earlier letter dated 8th March we objected to the application solely because the revised Landscape Masterplan included at that stage completely reversed, without explanation, all the changes agreed following discussions and a site visit with Sussex Gardens Trust. However, a further revision to the Landscape Masterplan has now been submitted which reverts to the earlier version agreed with SGT and included in the approved application. In the light of this, SGT is pleased to remove its objection.

Kind regards

Jim Stockwell
Trustee,
On behalf of Sussex Gardens Trust
