Dear Sirs,

Thank you for consulting Sussex Gardens Trust (SGT) and the Gardens Trust (GT) in its role as Statutory Consultee with regard to proposed development affecting a site listed by Historic England (HE) on their Register of Parks and Garden. SGT is a member organisation of the GT and works in partnership with it in respect of the protection and conservation of registered sites, and is authorised by the GT to respond on GT's behalf in respect of such consultations.

SGT has reviewed documents submitted with the application. On this occasion SGT also has no comment to make.

Kind regards
Jim Stockwell
